In partnership with

No-Cost College Programs for CSEA Members and Family Members Free Webinar Schedule

CSEA is proud to offer two no-cost college programs for you and your family members. Take college classes for professional growth, personal enrichment, or to earn an Associate or complete a bachelor's degree, all at no-cost for tuition, books, and fees. Find out how by attending this free webinar.

Learn:

- All about the college partners
- Eligibility – who can attend
- How to apply and what is needed to apply
- What degree programs are offered, including how to earn a teaching credential
- How credits transfer in and out (both colleges are fully accredited)
